**UNIVERSITY**  
— COFFEE HOUSE —

## Why Penny University?

---

Penny University is inspired by the first coffeehouses, which originated in London during the 17th century. Patrons would pay a penny to enter, giving them access to coffee, the company of others and the latest news and gossip. Because entry was so affordable Penny Universities attracted a broad range of people, from all walks of life. They were significant because they were more than standard coffeehouses; they were public meeting places.

This created a melting pot of ideas, conversation and classes. People would converse over coffee rather than alcohol, so Penny Universities encouraged serious discussion, open thought, and social enlightenment. Coffee had become more than a hot beverage. Instead, it was a way of bonding, socialising, conducting business and sparking conversation

So, who are we? Frankly, we are your modern day Penny University. Like the original coffeehouses, Penny's is a place to try new things, engage in conversation and feel at home. We invite you to come in, enjoy our menu, and soak in the character of the Penny Universities. We hope you leave with a content mind, satisfied stomach and enlightened taste buds.
